CASE

1. Case #Z-01-09

Mitchell & Sherry Minton request a variance to rebuild a residence in an I-1 zone district. Property is located at 2601 Pearl Road, Parcel No. 018-103-000-129-03.

All members visited the site.

Discussion:

Bill Kuzinski - poll the audience for approval. Mitch - not sure where the actual road is to get easement off of Pearl Road but would not be a problem. Are they 66' or 33' wide? Stan confirmed it is 66'. Patsy Minton horses, trails - museum - lived there for 20 years. Please let us rebuild. Public closed 7:30 p.m. Stan - planning to tear down? Yes. Home will not be an office - office is in the mill. Stan - water and sewer? They have city sewer and water. Ed - now located on lot 129? It is a large lot so you are close to the road. Irma - ask for rezoning or we could approve if the house is attached to the mill and contains an office.

I. Schuelke made a **motion** to table Case #Z-01-09, S. Mischely **supported**. Reasons for tabling the case were:
