LAST CALL FOR DEBRIS DROP-OFF

The County of Alpena, in partnership with the Charter Township of Alpena, will host their final days for citizens to drop off debris left-over from the ice storm. Brush, branches, limbs, and tree debris may be brought to a parcel located off of Airport Road (map attached) on the listed days/times, listed below. This location will be monitored by person and camera. Private companies and units of government will not be able to utilize the site for disposal of debris they collect, instead the space will be limited for private citizen use only. Individuals should not drop any debris at this site outside of these designated times/dates. Violators will be prosecuted.

Hours of Operation

Friday, May 9, 2025 from 9AM until 3PM
Saturday, May 10, 2025 from 9AM until 3PM

The county and township will be sending staff and volunteers out to collect brush and tree debris from those who are elderly or are facing financial hardship, where and when possible. Due to the limited number of individuals assisting, we cannot guarantee we will get to you. Debris and limbs should be stacked near the road at the end of your drive.

If you are interested in volunteering, or have questions you may contact the County of Alpena at (989) 354-9500 or email commissionersoffice@alpenacounty.org
